Brian Fusonie, (c) 2025

"Today you have accepted the Lord's agreement: he will be your God, and you will walk in his ways, observe his statutes, commandments, and ordinances, and obey his voice. And today the Lord has accepted your agreement: you will be a people specially his own, as he promised you, you will keep all his commandments, and he will set you high in praise and renown and glory above all nations ..." Deuteronomy 26:17-19.

"These are the words of the covenant which the Lord commanded Moses to make with the Israelites in the land of Moab, as addition to the covenant he made with them at Horeb." Deuteronomy 28:69 (Thus it is one integrated covenant that was given by God through Moses in installments.)

## **Author's Note: "Condensed Version"**

This short book detailing God's contractual Covenant "agreement" is a condensed version of doctrines, laws, and teachings contained in longer books I have handwritten and have either already posted or will post in the coming years. I prepared it not to entice you to read those other books, but as a short and concise version of God's required contractual Covenant to help people validly agree to obey that Covenant, without having to read those other materials. Where there is any information or topics in this current condenses book that are unclear, I refer you then to those other longer books. This book has two distinct parts. The first is a condensed version of the doctrines and laws of God's contractual Covenant. The second part is an additional study guide of materials on contractual Covenant law, God's Name, Nature, doctrines, and additional explanations of other related subjects. I prepared the first part to be a stand-alone contract, God's Covenant, that you can read, research, and then agree to in order to validly make the necessary "agreement" with God. I kept it the shortest portion of this book. But it has scripture references which you must read and research in your effort to make informed consent to this agreement. The second portion is longer, and its longest portions are the "definitions" relevant to understanding the language of "contractual agreement covenants" and the examples of what constitutes "illusory" and thus "invalid" covenants. For the most part, I kept each chapter short.

## **SECTION ONE: The Contractual Covenant "Agreement"**

### **Part 1: God's Integrated Covenant Of Installments Given Through Moses**

God's contractual Covenant "agreement" was given in installments to Moses over days or months, as reported in scripture, as one unchangeable integrated Covenant. It is an "if ... then" agreement that "If you obey all God's Nature, Doctrines, and Laws, then He will love and bless you as His own Covenant children and people." But it is also an agreement that "If you disobey any of His laws, then He will punish you and the land." He requires you to personally "accept" those terms and laws of His "agreement." Research: Exodus 20:1-17; Deuteronomy 5:1-21; Deuteronomy 5:31-33; Deuteronomy 28:69; Joshua 1:7-9; Deuteronomy 26:16-19; Deuteronomy 30:10.

### **Part 2: Required Agreement On God's Nature**

God is alone, there are no gods beside Him. Exodus 20:1-3. God had a beginning, but will have no end. He was "formed" by primal forces of natural physics. Isaiah 43:10. God is bound by linear space time and cannot be "outside of time." He cannot "foresee the future," but instead knows and "foretells" what He will author and draw (animate) in the future. Isaiah 46:8-11; Isaiah 48:3. The forces that generated God's existence dictate that He is round in shape. That is His "name shape," round. That God has a definite shape also means that God has a definite (finite) size, and cannot be infinite. Therefore there cannot exist any alleged infinite 'trinity.' God is Single Person. That is His Divine Nature. Nor is there any incarnation. God cannot mental imagery draw Himself to have a change of nature to be an electron, nor any electron body cat, dog, nor human. It is not math possible for God to be either a 'trinity' nor 'incarnate.' He is a giant round shaped Person. We know God was "formed" by then preexisting forces of primal physics because those forces act on God independently of Him since He cannot change those forces and thus cannot cause Himself to stop existing. Those forces hold God bound in existence and thus determine His life existence. He does not determine those primal physics forces. Again, God is not 'infinite' because there are primal physics forces that exist separate from Him. In other words, there was a world of such forces that preexisted God and "formed" God, and He resides within that world, held bound in existence by such forces. God creates by mental imagery drawing and writing animation in His Mind each second of each day. We are animations in His Mind. That is the only way God can create from nothing, as He was alone without the ability to form matter. Nor can He move His Body Mind. He is forever stationary, only able to Think and Draw by mental imagery in His Mind. O-ld, E-ld(er), O-ne, R-o-un-d, G-o-d. L-orb (round orb), L-ord who dro-L, or "God draws."

To draw and mentally imagery animate "creatures," God must intelligently design them as "machines" with sufficient mechanical bodily variables and nervous system variables so that when He animates their "existence" they are actually mechanical "others," not Himself. "Spirits" are not designable, since they would lack sufficient bodily variables nor have sufficient nervous system variables to be mechanical "others." God cannot draw nor animate "spirits." Nor can God mathematically nor physically invent "dual nature" creatures. "Two things" cannot be "one same thing," thus "body and spirit cannot be one same thing," they could not be "one same person." There cannot exist "dual nature" humans having both an alleged "body and a spirit soul." It is not able to be drawn by God, nor is it math possible. Hence, there is no "spiritualized heaven." Our only promised afterlife is a bodily afterlife on the real math physical "new earth" God promised Isaiah to create. Isaiah 65:17-18; 66:22.

### **Part 3: Required Agreement On His Doctrines**

In addition to those above listed doctrinal facts, God is large, but not infinite, and He has created only one universe (uni-verse). There cannot exist any "alternate universe," nor any "overlapping universes," nor "tangential universes." There are no "portals through time," nor any "portals through space." There is only this world bound by linear space time restrictions. Even God is bound in linear space and time, and He cannot visit the "past" which no longer exists, nor visit the "future" which does not exist yet. God loves to create creatures, especially intelligent life creatures with whom He can have a relationship, as they are able to learn about Him and to love and serve Him. There are other intelligent life creatures scattered throughout the universe that He has created. On earth, God created only humans to be the intelligent creature able to know, love, and contract a Covenant of obedient love with Him to be His contractual sons and daughters. That is the most important and unique nature of humans, the ability to learn about God and His laws and to make a valid contractual "agreement" Covenant with Him to obey those laws. No other creatures on earth have that ability; only humans. It is the very essential nature of humans to make that one unchangeable contractual Covenant love agreement with our Creator. Those individuals who refuse to validly agree to His Covenant of laws thereby reject their own human dignity. We are "created in God's image and likeness" as a student becomes the "image and likeness of his teacher." We are created to reflect God's own moral legal thoughts in contractual Covenant agreement with Him to "love only what He loves, and hate that which He hates." We are created to share with God His own thoughts about how He designed humans to behave morally, to be the "image and likeness" of His moral thoughts. We are to agree with Him. Research: Genesis 1:24-28; Deuteronomy 26:16-19; Psalm 139:21-22; Ben Sira 17:26; Psalm 5:5-7.

#### **Part 4: Required Agreement To His Laws**

In addition to promising to obey and worship God as He truly Is in His true Divine Single Person Nature, and His other doctrines, you must be agreeing to obey at all hours each of His laws in scripture. You therefore must agree to these following laws:

A. You shall love God by your obedience to all His laws. Disobedience is not love. "Faith" without obedience is neither "faith," nor is it love. Research: Deuteronomy 6:4-9; Deuteronomy 5:31-33; Deuteronomy 26:16-19; Deuteronomy 28:15-69; Exodus 20:1-6; Ben Sira 15:15; Ben Sira 19:20-24; Ben Sira 12:6; Psalm 18:22-27.

B. You shall not condone the sins of others, but you shall honestly judge and rebuke such sinners so as to not share in their guilt. Research: Leviticus 20:1-5; Leviticus 18:1-30; Leviticus 20:22-23; Leviticus 19:15-18, in particular v. 17; Proverbs 10:10; Proverbs 12:31; Psalm 12:2-4; Proverbs 28:4; Ben Sira 17:26; Ben Sira 12:3.

C. You shall not oppress nor enslave anyone, nor subject any innocent persons to involuntary detentions nor servitude; not because of race, gender, nor wealth. You shall love your neighbor as yourself. Research: Leviticus 19:18; Exodus 22:20; Exodus 23:9; Deuteronomy 10:19; Exodus 23:1-2, 6-7; Deuteronomy 23:16-17; Ben Sira 10:7; Proverbs 18:5; Proverbs 24:28; Leviticus 25:39.

D. You shall not misuse nor take false oaths using the Name of God. Nor shall you wrongly nor crassly invoke His Name. Research: Exodus 20:7; Deuteronomy 5:11; Proverbs 19:5; Deuteronomy 23:22-24; Ben Sira 18:23; Leviticus 19:12.

E. You shall not steal; nor shall you charge excessive usury interest on a loan. Nor shall you engage in illegal gambling; nor shall you invest in a company that hates God and His laws. Research: Exodus 20:15;

Exodus 22:24-26; Proverbs 22:7; Deuteronomy 23:20-21; Proverbs 28:3.

F. You shall not kill an innocent human being, including your offspring, the unborn. Yet murderers are to be given the death penalty. Nor shall you eat human flesh. Nor shall you practice "in vitro fertilization" which conceives multiple children only to kill or freeze some of those conceived embryonic children. Research: Genesis 9:6-7; Exodus 20:13; Leviticus 18:21, 29; Psalm 106:35-38; Psalm 139:13-14; Leviticus 20:1-5; Leviticus 24:17-22; Numbers 35:31-34; Wisdom 12:2-6; 14:23-24.

G. You shall not commit adultery, including adultery of the thoughts such as viewing pornography; nor shall you commit adultery of body touching such as an actor or actress kissing someone in a show or film who is not their legal spouse. Research: Exodus 20:14; Leviticus 18:20, 29; Leviticus 20:10; Leviticus 20:22-23; Exodus 20:17.

H. You shall not testify falsely about someone knowingly. However, good faith accusations are lawful and should be investigated. Research: Exodus 20:16; Exodus 23:1-2; Proverbs 19:5; Deuteronomy 5:20.

I. You shall not covet your neighbor's goods. Research: Exodus 20:17; Deuteronomy 5:21.

J. You shall not use contraception. Research: Genesis 38:9-10.

K. You shall not engage in homosexual acts; nor can any homosexuals marry. A homosexual man who attempts to marry a woman thereby rapes that woman, moreover the attempted marriage is invalid. Homosexuals may not marry among themselves nor to any other person of the opposite gender. Research: Leviticus 20:13; Leviticus 18:22, 29; Genesis 19:4-29.

L. You shall not engage in incest, nor pedophilia, nor polygamy, nor rape, nor anal stimulation, nor bestiality. Research: Leviticus 18:6-13, 29; Leviticus 20:17; Leviticus 18:1-5; Leviticus 20:22-23.

M. You shall not engage in prostitution. You shall not attempt to marry a man only for his wealth or objects, as that is a form of prostitution. Pornography is prostitution; as is painting yourself to appear different than your natural beauty in an effort to deceive a man to have sex with you, which is also a form of rape by deception. Research: Leviticus 21:7-9; Deuteronomy 23:18-19; Leviticus 19:29; Ben Sira 22:4-5.

N. You shall not dress in clothes of the opposite gender (transvestites). Research: Deuteronomy 22:5.

O. You shall not call upon "spirits" nor "the dead," as those are forbidden and are always evil "test" hoaxes. Research: Leviticus 20:6-8; Deuteronomy 20:27; Deuteronomy 18:9-13; Samuel 28:7-19; 31:6.

P. You shall not believe in apparitions of the dead, nor of "angels." Research: Deuteronomy 18:11-12; Samuel 28:7-19; 31:6; 1 Kings 22:19-23.

Q. You shall not engage in fornication (premarital sex). You shall not break your hymen before marriage. Research: Deuteronomy 22:13-21; Leviticus 18:1-5; Leviticus 20:22-23.

R. You shall not engage in oral genital stimulation to orgasm, nor at any time prior to marriage. Nor may a woman swallow a man's sperm, as that is a form of cannibalism. Research: compare to "contraception" at Genesis 38:9-10.

S. You shall not masturbate using mental fantasies, nor photographs, nor physical objects such as dildos or vibrators. A married man who masturbates thinking about a woman other than his wife commits adultery, and the marriage becomes null and invalid. Research: compare to prior laws against contraception, adultery, breaking of the hymen, and rape.

T. You may expose your nudity to a potential future spouse you are honestly dating in order for both of you to see if you are truly physically attractive to one another so as to want to marry for life. You may not be a "stripper" showing your nudity for pay. You may not engage in pornography. You may not casually expose your nudity, but must reserve it for attracting a future spouse.

U. You must love, welcome, and nurture each child you conceive from the moment of conception at fertilization; and you must raise and educate each child to know, love, and obey God and all His laws. Research: Deuteronomy 6:4-9; Psalm 139:13-14; Psalm 78:5-7; Genesis 1:28; Genesis 9:6-7; Exodus 20:13.

V. You may not circumcise God's intelligently designed foreskin of any male. The practice of circumcision is against God's intelligently designed natural law. God's designed of man is the natural law, just as God's design of woman's hymen is the natural law.

W. You may not practice witchcraft, nor sorcery, nor seances, nor spirit board games, nor levitations, nor alleged mind-readings, tarot cards, nor any occult activities. God forbids all such practices as pagan "test" hoaxes. Research: Exodus 22:17; Deuteronomy 18:9-13; Samuel 28:7-19; 31:6; Leviticus 19:28; Leviticus 20:27.

X. You must love and respect your innocent parents, but not tolerate their sins. Research: Exodus 20:12; Leviticus 19:15-17.

Y. You may not tattoo yourself. Research: Leviticus 19:28.

Z. You must obey all God's laws, not veering to the right nor to the left of His laws. Research: Deuteronomy 5:31-33; Deuteronomy 13:1; Joshua 1:7-9; Proverbs 4:27.

AA. You shall love yourself by respecting your daily requirements of nutrition, work, relaxation, sleep, and prayer. You shall keep holy the Sabbath seventh day as a day of rest. Research: Exodus 20:8-11; Deuteronomy 5:12-15; Psalm 139:14; Proverbs 23:30-35; Proverbs 4:20-22; Proverbs 19:15-16; Ben Sira 18:30-33; Proverbs 25:27; Ben Sira 30:14-16; 22; 37:29-31.

### **Part 5: Required Obedience Whenever A "Conflict Of Laws" With Secular "Laws"**

Whenever a government enacted statute or "law" conflicts with any of God's laws, He requires that you obey His laws. After God had delivered the Jews from Egypt and given them His contractual Covenant laws, the people over time began to disobey God's laws and decided to enact statutes that were different than His laws that they wanted instead. This angered God and He warned their children, the offspring of that disobedient generation, to "not obey the statutes of your parents," and to instead obey all of His laws, thus "obey all of His statutes, commandments, and ordinances," not the false-laws of their parents. In other words, God requires you to at all times obey His laws, not the contradictory "laws" of governments that are against His laws. He is a jealous God and does not tolerate any disobedience of His laws in scripture. After all, those laws constitute His only contractual Covenant terms and conditions, His only offered plan for your love and safety, and for peace on earth. Any "laws" that are against His laws will only cause Him to

carry out His contractual Covenant promises to punish the land. Research: Ezekiel 20:13-19; Deuteronomy 28:58-62; Leviticus 20:22-23; Proverbs 3:5-8; Proverbs 28:4-6; Proverbs 26:4; Ben Sira 4:22-28; Ben Sira 10:14-16.

#### **Part 6: Required Agreement On Marriage And The Education Of Children**

Marriage is a contract, as defined by God, that subsists entirely within God's larger contractual Covenant of all His laws. You must be promising to obey all God's laws in order to validly contract a marriage. He will not recognize any attempted marriages that are open in any way to disobeying any of His Covenant laws. Marriage is exclusively a contract between a man and a woman, made for the purpose of loving each other according only to God's laws and for the procreation and education of children with and for God. It is a contract of sexual exclusivity for life. Only a man and woman promising to obey all His laws, including His laws to never use contraception, abortion, nor "in vitro fertilization" (murders), are able to validly contract the marriage contract as God defined it. Those who either have not shown that they will obey all of God's Covenant laws, or who plan to break any of God's Covenant laws, cannot validly marry, and their attempted marriages are "null" and "invalid." This includes the required promise to raise and educate each child to know, love, and obey God and all of His laws. Research: Genesis 1:26-28; Genesis 2:24; Deuteronomy 6:7-9; Proverbs 23:13; Proverbs 29:17; Proverbs 13:24-25; Wisdom 4:6; Ben Sira 10:19; Ben Sira 30:1-3; Ben Sira 16:1-3.

#### **Part 7: Required Agreement On Voting**

You will be judged by God as guilty of every sin that you dare try to "vote to legalize" against His laws. If you vote for abortion, then you are guilty of every murder of any unborn child by abortions, and are a "murderer" yourself in God's eyes. If you vote for homosexuals, then you are guilty of homosexual sin yourself in God's eyes. If you vote for contraceptives, or adultery, or pornography, or prostitution, you are guilty of each of those sins you voted to "legalize" against God's contractual Covenant laws. You cannot validly contract God's Covenant if you vote against any of His laws, and you are thereby "invalid" and not one of God's Covenant people. Research: Leviticus 20:1-5; Leviticus 18:1-5, 29; Leviticus 20:22-23; Leviticus 19:17; Ben Sira 10:8; Ben Sira 12:3.

#### **Part 8: Required Intolerance And Judging Of Sins**

As stated earlier, God commands as law that you properly and "honestly judge your neighbor" and "not condone their sins, so that you do not share in their sins." That command was given repeatedly to Moses as the command of the true Single Person God of His only contractual Covenant of all His laws. Anyone who refuses to "honestly judge the sins of their neighbors" cannot validly contract God's Covenant of laws, and by tolerating or condoning the sins of others they thereby "share in the guilt of those individuals." You must make it clear that you do not tolerate and do not condone sins. You must show to God that you want to obey His laws, and thus to be a valid member of His only contractual Covenant. Research: Leviticus 19:15-18; Leviticus 20:4-5; Leviticus 18:1-5, 29; Leviticus 20:13; Exodus 20:13; Leviticus 20:22-23.

#### **Part 9: Required Prosecution Of Crimes**

There cannot exist in God's contractual Covenant any alleged "prosecutorial discretion" not to prosecute crimes against God's laws. For example, there is no "discretion" to decide not to prosecute murder, homosexuality, adultery, incest, pedophilia, polygamy, prostitution, cannibalism, etc. God requires each crime against any of His laws be faithfully prosecuted. Moreover, as I explain further in chapter 14 of this text,

contractual Covenant laws prevents anyone from claiming they "have the power to not prosecute" crimes against God's laws of the Covenant. Nor do they have the "power" to change any of God's laws, nor to "dispensation" anyone from having to obey all His laws, nor to "absolution" persons of their crimes against God's laws. Such alleged claimed "powers" would cause the contractual covenant to become "illusory" and thus "invalid." In order for a contractual Covenant to be valid, its laws must be definite and not subject to change nor subject to discretionary enforcement by God or by man. As God promises in His Covenant, He punishes each sin, whether by illnesses or calamities, disasters, or world events. Research: Deuteronomy 5:31-33; Deuteronomy 13:1; Numbers 35:31-34; Leviticus 24:17-22; Genesis 9:6-7; Leviticus 20:13; Leviticus 18:29.

#### **Part 10: Required Acceptance Of This Contractual Covenant**

Having read this agreement first and researched the relevant scriptures, I (your name) solemnly agree to all of its doctrine and laws, and hereby promise and vow to obey this agreement with God at all hours, without excuses and without exception. I realize that I must be honestly making such promise to God or I will not validly be one of God's contractual Covenant people. I wish with all my heart, and all my strength, and all my being to validly contract this Covenant with God to be His contractual child, and I make this agreement for the good of God, of all His people, and for the good of myself, both for the blessings of this present life, and the bodily afterlife to come, as God promises to create for us.
