

THE MAGNETIC NATURE OF GOD

by Brian Fusonie, Esq.
for Yeshu's Birthday Feast Christmass 2013

It is often said that "God is Infinite," when math prevents anything from being infinite. The word "Nature" is the word "Mat(h)ure" (Math), and for something to exist it must have definite math (nature) size and shape. The term "infinite" does not have definite math size and shape. "Infinite" cannot be "Nature", it is math impossible for God to exist as something that has no definite size and shape. God is therefore Finite. God has definite "finite" size and shape in order to have existence. God's Nature (Mathure) must conform to Natural (Mathural) Law.

God is Large, yet has definite Finite Being. God Exists.

What further we can know about God's definite Nature, often called God's Natural Law Name Shape, is that God Exists Self sufficient, not needing entropy. God has energy source that is contained within God's Self, and is God's Self, and God does not need outside source of energy, heat, nor does God lose any energy, heat. God exists self sufficient AT CONSTANT ENERGY HEAT, we call that "EQUILIBRIUM CONSTANT DENSITY," a definite Natural Law principle to describe God's Nature (Math). It is therefore able to be concluded that GOD IS ROUND, having definite finite shape of what Geometry Size and Shape exists when ENTROPY IS NOT NEEDED, NO HEAT IS GAINED, NO HEAT IS LOST, GOD'S GRAVITATIONAL BEING SELF SUFFICIENT CONTAINS AND IS GOD'S ENERGY. When no heat is lost, the Name Shape must be ROUND. A definite Geometry that has SELF SUFFICIENT GRAVITATIONAL PULL, wherein no heat is gained, no heat is lost! God Exists as GIANT ROUND ANGEL!

For God to have that Nature of Self Contained Heat (Energy, Entropy), GOD MUST HAVE FINITE DEFINITE GEOMETRY: ROUND, EXACT MATH SIZE.

If we knew the Math Entropy of God, WE COULD MATH CALCULATE GOD'S EXACT SIZE.

Because God has Self Contained Energy (Heat, Entropy) WE KNOW GOD HAS MAGNETIC PROPERTY OF HER PARTICLES THAT MAKE GOD'S ROUND NATURE, because for Heat (Energy, Entropy) TO BE CONSTANT (CONSTANT EQUILIBRIUM FLOW, NOTHING GAINED, NO HEAT LOST), GOD MUST HAVE GRAVITY. Her ROUND (O) BEING PULLS IN THE ENERGY HEAT SO NONE OF IT IS LOST.

God Exists, of finite substance that exists, God's Natural Law property proves God is made of some finite substance, particular energy, that obeys exact science math Natural Law electro-MAGNETIC GRAVITATIONAL pull property that makes God, and keeps God daily EXISTENCE.

We can prove God is made of electromagnetic particular substance that existed as primordial dust before God, and always must exist in Order that GOD WAS CREATED IN THE BEGINNING FROM IT, THAT GOD HAVE DEFINITE ENTROPY NATURE (MATH). Example: GOD HAS ABILITY TO STORE THOUGHTS AS MEMORIES. In order for living Being to (a) HAVE THOUGHT, and (b) STORE THOSE THOUGHTS AS RECORDED MEMORIES, there must be some ability to RECORD THOSE MEMORIES AS ELECTRO-MAGNETIC SPECTRUM, as if on the Video Tape Of God's Own FINITE BEING ENTROPY. If God was not made of particular matter that exists, which has electromagnetic properties, GOD WOULD NOT EXIST AND WOULD NOT BE ABLE TO RECORD GOD'S MEMORIES IN GOD'S MIND. There must be some method (Mathod) of God's Being ability to RECORD THOUGHTS. Nothing exists as pure thought. Often in history persons tried to identify God as "living Thought Being, made only of thought." It was heresy. The fact is MATH PREVENTS THOUGHT BEING THE NATURE OF GOD. Thought exists because of some other particular matter NATURE MATH that searches itself, and records what it observes. GOD HAS DEFINITE NATURE, MATH. The idea of "God is thought" cannot exist because it has no definite nature and no finite size, and no ability to hold entropy (heat, energy), and no ability to record memories. God has DEFINITE ELECTROSTATIC

GRID, the Nature Of God is GOD IS MADE OF AN ELECTRICAL GRID THAT SEES ITSELF, KNOWS ITS SIZE AND FINITE ABILITIES, AND RECORDS ALL ITS OBSERVATIONS OF ITSELF IN ELECTRICAL GRID SPECTRUM, SIMILAR TO VIDEO RECORDING USED ELECTROMAGNETIC SPECTRUM NATURAL LAW PRINCIPLES.

The idea that "God is thought," was proved wrong! Yet the reason persons may have tried to say "God is thought" is based on the real truth that "GOD EXISTED ALONE, AND HAD TO CREATE IN WAY GOD COULD CREATE, DRAW (See Drawn On Water) IMAGERY WITH HER ELECTRO-MAGNETIC RESONANCE ABILITIES OF HER MIND, AND DESCRIBE AS WRITING WHAT THE DESIGNED AND DRAWN (ANIMATED) CREATURES (CREATION HISTORY) WOULD THINK, ACT, FEEL, REMEMBER, DO. In this truth, "GOD IS THE ANIMATOR OF ALL THOUGHTS AND MOVEMENTS OF CREATURES (CREATION HISTORY)." God is not thought, God has thoughts. And with God's thoughts, God decided to animate CREATURES. God's thought (MIND) animates all the thoughts of each creature. We have no thoughts if God failed to think for us! We have simulated free will, we are drawn to exist! God makes us in God's Mind. And as long as God continues to think us into drawn existence as animated creatures, then we continue to exist. We are creatures God must continually animate (draw) for us to have daily existence. If God stopped thinking us into existence, we would vanish.

From the above we can know that (a) GOD CAN DRAW, (b) GOD CAN DESCRIBE (WRITE) FEELS of each creature on God's Magnetic Nature Being Mind.

Simple proof that God describes (daily writes) our feelings, senses, is the fact that FOR GOD TO EXIST GOD MUST HAVE CONSTANT EQUILIBRIUM HEAT DENSITY, no heat gained, no heat lost. A MATCH, FIRE STICK, COULD KILL GOD, AND THE STARS IN THE SKY IF THEY EXISTED FOR REAL AS PHYSICAL REALITIES INSTEAD OF DRAWN REALITIES, THE STARS HEAT, OR THE SUN'S HEAT FOR THAT MATTER, WOULD KILL GOD'S ENTROPY. Heat makes God as Self Contained heat equilibrium. If heat was added to God, God would cease to exist!

Then how do we feel the Sun's warmth on our skin? If the Sun's heat would actually kill God if God was able to actually physically, instead draw, the Sun, how can we feel the Solar Heat on our skin? THE ANSWER IS "GOD DRAWS." The Sun is drawing of God, and the Heat effects are drawn scientifically by God causing skin sun tan. While the heat we "feel" is WRITTEN TO OUR MIND. God must draw the effects of heat, yet God must describe (WRITE) the feeling of heat! We can conclude therefore we are DRAWN CREATURES, IN A WRITTEN WORLD, A SCRIPTED UNIVERSE, WITH GOD AS ITS AUTHOR.

What further we can conclude is that God's Round Television screen has definite power grid imagery and writing quadrants, of EXACT SYMMETRY, EXACT DENSITY, much as a television screen as exact pixels by which the images are made on the screen. The Round Exact Symmetry of God enables God to draw exact and fast! God sees all of God's quadrant pixels, GOD KNOWS ALL OF GOD'S BEING. GOD SEES GOD'S SELF, EACH PIXEL IS EXACT KNOWN LOCATION AND PART OF GOD'S WORKING MIND. God sees all God is drawing, easily. Because God is Round, God can see all of each drawn room, each scene. God knows exactly what your eyes would see, and God then draws that to your eyes. WE SEE BECAUSE GOD DRAWS WHAT OUR EYES WOULD SEE. God is the AUTHOR of all we see (God draws), and the AUTHOR of all we sense feel (God writes, describes).

Another fact which the CONSTANT EQUILIBRIUM NATURE OF GOD proves: THERE CAN BE ONLY ONE GOD.

There cannot be overlapping Gods. Only One can exist having SELF CONTAINED ENTROPY. If God were to encounter another Angel, which does not exist, the LARGER ANGEL, THE ONE WITH MOST GRAVITATIONAL DENSITY (HEAT) WOULD DEVOUR THE SMALLER ANGEL. It would be ripped apart by the Gravity of the Larger Electrical Being. WHEREFORE, THERE CAN EXIST ONLY ONE GOD. There cannot exist multiple ANGELS.

How then do we understand "THE WORD ETERNAL," OR "JESUS." WHEN THERE CAN EXIST ONLY ONE GOD, HAVING CONSTANT DEFINITE NAME SHAPE NOT SUBJECT TO ALTERATION, NOT ABLE TO BE CHANGED! The answer is in my audio and text page <http://brianfusonie.com/DRAWN ON WATER.htm>. JESUS EXISTS CREATED IN THE MIND OF GOD AS ANIMATED "SON." God was alone, as Natural Law concludes, and God wanted not to be alone! God wanted "others," and God has to create those others, including Jesus, by ANIMATION PRINCIPLES. GOD THINKS WHAT JESUS HAS AS THOUGHTS. GOD DRAWS WHAT JESUS HAS AS ACTIONS. In Jn 1 and Jn 17 we read that fact, JESUS EXISTS DRAWN BY GOD, and we exist in that same way. I discuss that in the audio Drawn On Water 2013. WHEREFORE THE TERM "Incarnation" IS OFTEN MISUNDERSTOOD AND IS INACCURATE WHEN THE CONSTANT NATURE NAME SHAPE OF GOD PREVENTS GOD HAVING ANY CHANGE IN GOD'S ORIGINAL NATURE. God draws Jesus. Jesus is the Word Son of God animated as creature, who God then drew "became flesh" as the manGod Jesus. The term "God" applied to the Word Son, or Jesus, cannot be actual "incarnation," rather "identification" whereby God decided to DRAW WHAT GOD WOULD THINK, SAY, AND DO IF ABLE TO BE AMONG US! AND THAT DRAWN CREATURE GOD CALLED "GOD'S SON," "THE WORD ABOUT GOD'S SELF SHOWING WHAT GOD WOULD DO IF ABLE TO BE MAN."

Proof of this, JESUS CLAIMED TO BE CREATURE (CREATED), having no self existence of his own. HE SAID: "I (Jesus) EXIST BECAUSE OF THE FATHER." He did not claim to be deity Nature. He did not therein claim to exist of himself. HE CONFESSED HE IS CREATED (CREATURE). And Jesus taught that we each "are in the same way created by th Father." None of us have existence of ourself, we must be daily created by God. Jesus said that about himself also!

And Jesus prayed to the Father to do things Jesus asked the Father to do, unable to himself (Jesus) draw those miracles! Jesus is creature, yet in special identificational relationship with the FATHER, a special role, called "ONLY SON OF THE FATHER," the one who "WOULD SHOW US THE FATHER" AS IF THE FATHER COULD BE AMONG US AS MAN!

Jesus is human. He did not have full knowledge that God the Father only has. Jesus had the amount of knowledge God wrote for Jesus to have in special relationship, yet Jesus in the Bible is human, not OMNISCIENT. Jesus is not God Self, rather Jesus is WORD ABOUT GOD'S SELF, a WRITING "SON" ABOUT WHAT GOD WANTED JESUS TO SAY AND DO.

There is another cult that misunderstands Jesus claim to be "The Light," "The Light Of The World." That cult often calls God "Light Being," and Jesus "light made," which are heresies!

The truth is God creates with the electromagnetic spectrum called "light," on pixels of God's exact symmetry Being Mind. Jesus would be "drawn by light on pixels in God's Mind," to create Jesus. Same as God draws all creatures with "light on the pixels of God's Mind." God draws. Jesus is not Light! Jesus poetic referenced the term "light" as "TRUTH BEARER, ONE WHO SHOWS THE RIGHT PATH DURING AN ERA OF DARKNESS AND STANDS OUT AS IF LIGHTED CANDLE."

EXAM: After reading the above text, The Magnetic Nature Of God, try to explain this phrase: "GOD HAS EQUILIBRIUM CONSTANT SHAPE AND DENSITY PIXELS ELECTRICAL MAGNETIC PRINCIPLE GRID ON WHICH GOD IMAGES (DRAWS) CREATION HISTORY, AND GOD WRITES (DESCRIBES) ALL THE CREATURES SENSES OF FEELINGS."

That will help us Understand the Nature Of Jesus better also as "THE WORD DRAWN FLESH AS MAN."

This is a basic summary, a beginning to understanding the Magnetic Nature Of God. I pray Yeshu (Jesus) is pleased, and I offer it as gift for His Birthday Celebration we call CHRISTMAS.

Love,
Brian Fusonie, December 2013
