

5. "Her wilderness he shall make like Eden,
her wasteland like the garden of
the Lord," Isaiah 51:3

6. "See, I am creating new heavens and
a new earth; The former things shall
not be remembered nor come to mind.
... The wolf and the lamb shall pasture
together, and the lion shall eat
hay like the ox — None shall
harm or destroy (none shall kill)
on all my holy mountain, says
the Lord," Isaiah 65:17,25

7. Explain why on the New Earth
all will be vegetarian, both
the animals and humans.
8. Explain why we will on the New
Earth have no memories of
eating meat (flesh). Explain why
this is the same principle as
"No memories of sin" on the

New Earth. Explain why God cannot allow us to have memories of sin at the resurrection of our bodies (soul, soul) on the New Earth.

Clearly, God cannot allow a person to remember murder (abortion), fornication, contraception, homosexuality, rape, incest, theft, slander, etc. The same is true of memories about eating meat. Explain why God cannot allow memories of eating meat on the New Earth.

Explain then how you can "maximize your real memories" now in preparation for the New Earth.

10. Your real memories are only that which conforms to the Laws of Eden, or therefore the Laws of the New Earth: Natural Law.
11. Explain why there is plenty of protein in "fruits and green plants" (vegetation) because plant cells are made up of the same biological matter (Matter) as animal cells. Explain why large animals often eat only vegetation (they are not meat eaters!).
12. Explain the sinful lie that we ~~need~~ "meat as protein."
13. Explain why large animals do not complain about needing "meat as protein" when they get all the protein they need from fruits and vegetables.

BACK TO EDEN: Exam 2. ©2017

"See, I give you every seed-bearing plant on all the earth and every tree that has seed-bearing fruit on it to be your food; and to all the wild animals, all the birds of the air, and all the living creatures that crawl on the earth, I give the green plants for food. And so it happened. God looked at everything he had made, and found it very good!"

Genesis 1:29-31

2. Both humans and animals were intelligently designed in Eden to eat only vegetation.

3. ~~Later~~
On the Noah Ark they obviously ate only vegetation.

4. In the End, on New Earth, ~~lions will lay~~ down with the lambs, eat only vegetation.
