PART TWO: More Recent Additional Meditation Summaries.

53. Meditation On The Lone Creator: "I, the Lord, AM the only Person who is God. No other person is Me; I am alone. I author all My creation in My Mind by animation. I write all. I am the intelligent Designer of all the universe and all creatures. I am the Author of life, which I give to each of My creatures by animating their lives each day. I am Lord."

54. Meditation Against No-gods: "I, the Lord, the Author of life, command My people to no longer say the name of the no-god Jesus. He is not My Being. He is not Me. Jesus is a hoax that I authored to test humanity. Much of the earth failed that test by worshipping Jesus as if he were Me. That is idolatry. The end will come if I see people worshipping Jesus. I alone am Lord."

55. Meditation On No Holy Ghost: "I, the Lord, the Author of life, command My people to no longer mention the 'trinity' nor 'holy ghost.' Those are not My Being; they are not Me. I am alone. I am created by physics laws that govern My world in which I live. I had a beginning, but will have no end. I live. I cannot be three persons. I am Single Person. That is My Name and Nature. I am Lord."

56. Meditation On Prayer: "I, the Lord, only recognize as prayer those who honestly love My true Divine Nature as Single Person, and who obey all My laws. I do not hear those who disobey Me. True prayer is an agreement to serve Me as I AM, not how you wish I was instead. True prayer is a relationship I have with My honest friends; My enemies are never heard. I am Lord."

57. Meditation On Excommunications: "I, the Lord, am the Author of My contract Covenant of My every law. You must make validly legal agreement with Me as to all My laws, or you do not make that Covenant agreement with Me. Those who disobey My commanded laws are cut off from My Covenant, and My people must obey Me and cut those persons off from My people. You may not employ those persons; nor make any contracts with them. Treat them as dead to Me and My people. I am Lord."

58. Meditation On Inalienable Rights: "I, the Lord, am the Author of true rights. I write the laws that are those rights. All who dare call abortion or homosexuals 'rights' are cut off and thus excommunicated from My contractual Covenant. They are dead to Me and to My people. I am Lord."

59. Meditation On The Keys: "I, the Lord, do not recognize the Vatican. I AM Single Person, and the Vatican serves a no-god 'trinity.' It will end. They do not speak in My Name. They are blasphemy. The earth will obey Me and thus all My laws, or I will end the earth. I am Lord."

60. Meditation Against Virgin Mary Cult: "I, the Lord, who AM Single Person Creator commanded My people not to mention the name of any no-god 'trinity' nor its mother. She is not among My saints. She is the mother of a lie against My true Nature. I demand worship of Me alone; not of the 'virgin Mary.' I am Lord."

61. Meditation Against Communion Of Saints: "I, the Lord, cannot create 'spirit.' There are no 'spiritual communions.' I authored each person to have only a bodily live; and your afterlife will be bodily on the new earth I will create. I am Lord."

62. Meditation Against Stigmata: "I, the Lord, often make miracle signs and wonders for false-gods to test My people, as I warned you in Deuteronomy. The stigmata is a test, and was done as a false proof of the no-god 'trinity.' They are not My saints. My people obey Me as Single Person Author of all My laws. I am Lord."

63. Meditation On No Elijah 'Return': "I, the Lord, will never send Elijah again. Instead, I will send a different man having the same love for My laws, before the end. If the earth fails to listen to My agent whom I send, I will strike the earth with destruction. I am Lord."

64. Meditation On Three Days Of Darkness: "I, the Lord, draw the universe in My Mind; I daily author all its atomic particles, and animate to life all My creatures. I hate the no-god 'trinity' and those who dare worship it against My true Nature as only Single Person God. I AM. There can be no other. I will prove it. There will be an event I draw that proves to all who see it that I draw and animate all creation with My Mind. If you fail to obey Me, thus to obey all My laws and My true Nature, I will destroy the earth. I am Lord."

65. Meditation On Man's Diet: "I, the Lord, will not allow any meat eating nor killing of animals on the new earth I am creating. Then you will not remember eating the flesh of animals. I cannot allow you to have those memories of the taste of flesh. Instead, all will eat seed-bearing plants and fruit. I am Lord."

66. Meditation On The Bible: "I, the Lord, gave My Covenant laws to Moses; never to Jesus, who is not Me. There is no 'new covenant.' There can be only one Covenant of all My same laws. I never change. I am Lord."

67. Meditation Against 'Indelible' Ordination: "I, the Lord, offer My agency contractual

agreement only to those who validly contracted with Me My larger contractual agreement of all My laws. That is My only Covenant. Those who disagree with any of My laws are never My priests. They lose the agency contract and are thereby no longer My priests if they disobey any of My laws. They are not in Covenant with Me; they are dead to Me and to My people. I am Lord."

68. Meditation Against Sacraments: "I, the Lord, authored a contractual Covenant agreement; not black magic incantations nor their rituals. There are no sacraments. I do not reside in any of their rituals. I am Single Persons; never a 'trinity.' I hate all alleged sacraments of that no-god 'trinity.' They will end, or I will end the earth. I am Lord."

69. Meditation Against Confessionals: "I, the Lord, will punish you for every sin you concealed from the people that you heard 'confessed.' There is no 'confessional' that I recognize. It is against My only contractual Covenant. I am Lord."

70. Meditation Against Baptism: "I, the Lord, do not 'baptize' any person. I do not 'indwell,' but I instead make valid legal contractual agreement in Covenant with My true people. That Covenant requires agreement to obey all My laws to validly make that required Covenant with Me. There is no 'washing free' of sins. There is no 'substitute' atonements. There is no baby who validly makes agreement with Me. Only those who fully obey My laws are in My Covenant. I am Lord."

71. Meditation Against Tongues: "I, the Lord, AM Single Person. I hate the false-god 'trinity' and its 'speaking in tongues' through people. I will end it, or I will end the earth. I am Lord."

72. Meditation On Required Repentance: "I, the Lord, authored only one contractual Covenant agreement of My laws. Those who keep My laws will have life. If you have sinned against Me the Single Person Author of those laws, you can only validly make My contractual Covenant by full repentance publicly. I demand you first prove yourself reliably contractual capacity by your daily obedience of all My laws. I will know when you are ready to make that Covenant agreement with Me. I am Lord."

73. Meditation On Loving Your Neighbor: "I, the Lord, required as part of My authored Covenant agreement of all My laws, that My people enforce My laws upon their neighbors. As I require of each of you, so you must require of them. Equal justice under My laws. I am Lord."

74. Meditation Against Contraception: "I, the Lord, exclude from My Covenant all who use contraceptives. They are not among My contractual Covenant people. The only method to

limit births that I allow is the natural fertility cycle that I authored for woman. That is My intelligent design and it is My law. I am Lord."

75. Meditation Against Homosexuals: "I, the Lord, destroyed Sodom because they were sodomites, they were homosexuals. I condemn all homosexuals; they are not among My contractual Covenant people. They are excommunicated. If the people do not end the plague of homosexuals that has taken over the lands, I will destroy the earth. I am Lord."

76. Meditation Against Abortion: "I, the Lord, define life. I author a new human being exists at the moment of conception at fertilization. All who fail to protect My child from that moment are themselves excommunicated. They are not among My contractual Covenant people. If you tolerated abortion, you are excommunicated. There will be no other Covenant. I am Lord."

77. Meditation On Work: "I, the Lord, do not tolerate anyone working for a company that hates any of My laws, and thus hates Me. All such employees are excommunicated. You must work only for companies that are in no way against any of My laws. Nor can you share profits from any company that so hates Me. I am Lord."

78. Meditation On Registered 'Charities': "I, the Lord, forbid calling a group a 'registered charity' that is in any way against one of My laws. All who fund such a group are My enemies; they are cut off and thus excommunicated from My contractual Covenant people. They are dead to Me and to My people. I am Lord."

79. Meditation Against Prostitutions: "I, the Lord, condemn all who prostitute their lips in films. I condemn all who prostitute their nakedness. I condemn all who prostitute their wares or labor. I demand the people obey Me and thus obey My every law. I am Lord."
